

# WELCOME

**Independent Physicians  
and Providers of Illinois**

**September 20, 2023**

# Welcome & Reminder of Who We Are

## Mission

To provide optimal care for all patients, and to facilitate each other to remain independent

## Vision

To be a resource for physicians to thrive in their independent practice. By maintaining an active and growing directory of aligned physicians, we will enable patients to access quality care across IL. Ensuring our efforts of forward thinking, we will mentor physicians to private independent practice.

## Core values

- Independent
- Patient Centered
- Accessible
- Collaborative
- Accountable
